

INFORMATION ABOUT VARIOUS CLUBS BEING CONDUCTED IN NCS
PORBANDAR

MUSIC CLUB

The Music Club aims to promote taste and talent amongst the students by haunting musical qualities in them. The general objectives of the Music Club are:

To engage musically talented/experienced students in club's activities

To maintain the progress in their musical skills throughout the academic year.

To foster leadership skills in students through practicalities of musical performances

To develop critical listening and analyzing skills, and enhance the enjoyment for music.

READING CLUB (ONLY FOR STD VI-IX)

Reading club envisions to read and reflect on. Reading club is a platform for students to narrate, discuss and reflect on what is read. This forum intends to promote reading along the students and gives the opportunity to present book reviews regularly. Creativity, analytical and critical skills of the students are enhanced through these club meetings. The book to review is the choice of the student. This endeavor helps to think clearly and develop the capacity to communicate effectively and skillfully. Organizing capacity of the students are also enhanced. Students are encouraged to write small stories of their own.

SCIENCE CLUB

Science Club is one of the better platform for the students to realize their scientific skills, knowledge and fulfill their quest in doing science activities for which they do not got opportunities within the curriculum framework. The aim and objectives of Science Club are:-To develop a general interest in science. To improve scientific attitude and provide opportunities for practice in scientific method. To better understand scientific knowledge through science experiments. To allow them to work in the field of their interest and hone their skills in presentation. To maintain the students with knowledge in past and recent inventions in science

DANCE CLUB

The motto of the Dance Club is to nurture the talent, celebrate the diversity and give expressions to the creativity of young minds. It encourages students to participate in various inter and intra school dance competitions. This club makes the students to adapt creative, fun and easy way of learning dance. Dance club keeps the students to be fit, socialize and learning skills through dance.

MATHS CLUB

A Maths club is a chance for everybody to have fun with Maths in an entirely non-judgemental, and ideally relatively free flowing environment. Objectives of Maths club are :-

- develop children's knowledge and understanding of Maths
 - strengthen the cross curricular links with Maths and other subjects
 - fuel a can-do approach to Maths
 - show children that Maths is multidimensional
 - develop children's mathematical reasoning .
 - develop Maths resilience
 - boost self-confidence
 - cultivate creativity
